Upon receipt of application and accompanying data and images, the New Members Committee will review and process your information based solely on the needs of Artworks Gallery, not necessarily in order of receipt. You will be notified of application status. If not approved, your application will be kept on file for six months. If you are approved for further consideration, you will be requested to bring to the gallery representative samples of your art ready for display (2-D bring 3-5 framed pieces, prints and cards; 3-D bring 5-7 pieces, cards if you have them). Allow one month for members to review your art. You will then be contacted to arrange an interview with gallery members. This interview may be "in-person" or via a "Zoom" meeting. At the time of interview, the artist will be given additional information concerning gallery membership, general duties and responsibilities, Gallery Joining Fee, and monthly Gallery Dues. Following the interview, applicant will be notified within a couple of days regarding gallery acceptance.

**Artworks Gallery accepts no liability against loss or damage during the time artwork is held for screening. Every care will be taken to ensure the safety of any work submitted.**
